- Unique Synergy with Hellenic Post
- Human Recourses Update
- New IT Systems

### *GPSB Strategy*

- Targeting Growth and Profitability
- Supporting Business Plan Realization

### *Share's Information*

- Stock Data
- IPO Details

### *Contacts*

# Greek Postal Savings Bank History

- Greek Postal Savings Bank established in 1900 in Kreta, in the context of the Hellenic Posts Organization.
- It started its function in 1902 with a network of 26 branches.
- In 1970 the Postal Savings became autonomous with the foundation of Greek Postals.
- In 2002 it acquired a new corporate status and became a Societe Anonyme, under the law 3082/16.12.2002.
- In 2005 the banking network consisted of 136 branches all over Greece. The Bank's presence is additionally supported from Hellenic Posts (ΕΛΤΑ) 820 branches cooperation, as an alternative network which assists selling activities based on the well product range of PSB.
- In April 2006 it acquired a full banking license and since then we have been operating under the supervision of the Bank of Greece.
- In June 2006, the Postal Savings Bank became an ASE listed company through a public offer of 34,84% of the existing shares
- By the end of 2006 the alternative network of Hellenic Posts increased to 839 branches and the existing agreement expanded to lending products.
- Greek Postal Savings Bank now supports a full range product mix such as mortgages, personal loans, credit cards, mutual funds and almost all types of bank deposit / saving activities. The Banking corporation also includes treasury and asset management activities in its portfolio.
- Greek Postal Savings Bank has initiated a new contemporary integrated banking system through which all daily operations are performed and controlled fully on line. At the same time, the Bank's number of ATMs is following an increasing trend, in an effort to facilitate daily transactions. By the end of 2006 the ATM's amounted 171 pieces, of witch 130 were placed at the PSB's network and the rest at the alternative network of Hellenic Post.
- On July 11, 2007, the "Hellenic Republic", PSB's major shareholder, proceeded in a successful sale of 28.173.354 common shares of "PSB S.A." (20% of PSB's outstanding share capital) via accelerated book building process to international and Greek qualified investors. The offering took place within the frameworks of State's gradual, privatization program.

- Deductions from shareholders equity represent AFS portfolio reserve, intangible fixed assets and Bank of Attica participation
- No non-equity instruments in capital
- RWA split between credit and market risk supporting investment strategy

### RWA composition

Source: IFRS financial accounts as of June 30, 2007

## Expanding products - palette

From mortgage loans for civil servants to a palette of mortgage and pre-approved consumer loans offering, complemented by traditional consumer finance and card products

### Mortgage loans

- Improved product functionality
  - Longer tenor introduced up to 40 years
  - First 3 year grace period (interest only) mortgage loan introduced
  - Home equity / debt consolidation products
  - Fixed / variable interest rate
  - Final approval time shortened to 1 month
- Successfully branded products
- Currently exclusively distributed through own branch network and ELTA

### Pre-approved consumer loans to civil servants

- Unique product offering on the basis of PSB relationships with other public sector organisations
- Credit line from €3,000 to €30,000 secured through equal instalments deducted by employer directly from payroll (monthly instalments)
- Framework agreement signed with 950 organisations
  - Low penetration levels (35%)
  - 130,000 loans outstanding approximately
- Interest rates of 5.90% and tenor ranging from 3 to 10 years

### Consumer loans

- Typical consumer finance product offering
- Rates starting from 8.40% floating rates and tenors ranging from 1 to 10 years
- Seasonally branded product offerings
- Cautious initial expansion to be followed by more active marketing
- No alternative channels used (except ELTA)

### Credit Card offering

- Member of VISA International
- MasterCard
- Flagship PSB Classic and PSB Gold products
- Annual membership fee and attractive interest rates, of 9%
- Balance transfer functionality
- Acquiring POS infrastructure through FirstData Co.
- Direct marketing channel is the biggest contributor to new cards origination

## Advertising Campaign

Business has been supported by effective holistic communication to attract the “unsung heroes”

### Marketing campaign

- High brand recognition of PSB (as effectively all Greek population has been customer) because of very high penetration in the Greek population
- Though perceived as a dormant organisation
- Targeted corporate branding and product specific campaign, including:
  - TV commercials
  - Press advertisements
  - Marketing material
- Intensification in Q3-Q4 (2005) and 2006

### Concept

- “PSB supports the unsung heroes (everyday working class) because they support our country”
- “PSB is the only bank that fully understands and values them because they are worth (more to) it”

### Target audience/aims

- Primary: 30-55 year old middle income
- Secondary: 18-24 year old
- Parallel impact: own personnel motivation

### Marketing Expenses (€mm)

## Unique Synergy with the Hellenic Post

- Historical relationship with Hellenic Post, formalised through comprehensive exclusive agreement, entered into 2001
  - Expires in 2011, subject to renewal
  - Governs personnel issues, branches layout, commission fees and charges, exclusivity
- Historical focus on deposit acceptance through Hellenic Post's 839 branches and distributors as well
  - Cooperation extension envisaged to include PSB expanded product offering in lending activities. This present moment 160 branches provide loan services. However by the end of 2007 the target is to reach the number of 270 branches.
- Cooperation strengthened through cross-shareholding of 10% in each company effected in April 2006 (sale of existing shares by the Hellenic Republic)

### Cross-shareholding establishment<sup>1</sup>

- Nowadays 41 ATMs operate in different Hellenic Post branches
- Focusing on customer service and satisfaction 139 P.O.S. will be placed on Hellenic Posts network, earlier than Dec 2007. Those machines are also designed for deposits purposes.
- The design of the interface between the information systems of P.S.B. and H.P. has been completed and is currently in the implementation phase. The roll out of the first pilot branches will start at the end of June 2007.

<sup>1</sup> Ownership structure prior to PSB IPO

## Human Resources Update

### Headcount will be strengthened with hiring of significant new entry level personnel

- A first group of 132 new employees join the bank during December 2006 and January 2007.
- A second group of approximately 600 new employees is expected during 2007 and 2008.
- New hires (university graduates) to be allocated in certain support functions currently outsourced and man branch network.
- New hires to replace natural attrition of existing personnel that has staggered departures over the following years.
- 1.09% of company shares were allocated to Personnel (became shareholder) through a private placement with a 10% discount on the IPO price.
- Substantial cost potential save, after the second placement, calculated up to 8 m € on an annual base.

### Facilitated by the hiring of seasoned retail banking executives

- Experienced executives have been hired within the restriction of previous operating framework to man critical business and support operations.
- Executives hired with extended banking sector experience or higher education.

### Planned new hires as a replacement of the existing outsourcing

### New executives by function

# Main Operations Drivers Update

## New IT system (s) (in operation) have extended functionality allowing for more efficient operations

### Core banking system – PROFITS

- Full management of customers and products (lending, deposit, transfers, etc.)
- Accounting and general ledger
- MIS, budgeting and cost allocation (on a development stage)
- Support systems
- Interface with interbanking and international systems / networks
  - Handling of transactions originated from Post Office( on a development stage)
  - DIAS (National Interbanking and Clearing House)
  - SWIFT
  - FirstData (Cards and ATM process system)

### Dealing room – BTS VISION

- Full support for Front- Middle- and Back- Office operations, connected to PROFITS
- Real time connection to Reuters RT, SWIFT capabilities

### Payroll and HR Management System

- Full payroll and employees records
- Training and development schedules
- Performance assessment

### Help Desk System

- Remedy Help Desk System supporting the PSB PROFITS users

**Technical infrastructure (central systems, LAN infrastructure, communications network, new IT building) has been installed and fully operational**

## Greek Postal Savings Bank: targeting growth and profitability

### Identifying the potential

- Wide distribution network with 138 self owned branches
- 171 ATM service point network
- Additional 839 sales points through Hellenic Posts branches
- Large depositor client base
- Historical position in mortgage lending
- High liquidity
- Strong capital / low cost base
- New integrated IT whole banking system
- 1.319 people out of which 134 with post-graduate degrees and 376 with graduate degrees

### Preparing infrastructure to capture it

- Asset side composition restructuring, in favor of retail loans portfolio growth
- Strengthening of the relationship with Hellenic Posts
- Support brand name recognition through effective advertisement campaigns
- Full implementation of the new integrated banking IT system
- Exploitation of the strong customer base in cross selling activities
- Continuous personnel training and motivation
- Lateral hires of senior executives
- Gradual replacement of outsourced personnel with permanent employees
- Enriching product palette with simple and price attractive products
- Capital structure optimization

### Targeting future

- Rapid retail loan portfolio growth
- Establishment of cross selling activity
- Effective liquidity management
- Increase of client base penetration
- Increase market share both in deposits and loans
