Greek Postal Savings Bank History

- Greek Postal Savings Bank established in 1900 in Kreta, in the context of the Hellenic Posts Organization.
- It started its function in 1902 with a network of 26 branches.
- In 1970 the Postal Savings became autonomous with the foundation of Greek Postals.
- In 2002 it acquired a new corporate status and became a Societe Anonyme, under the law 3082/16.12.2002.
- In 2005 the banking network consisted of 136 branches all over Greece. The Bank's presence is additionally supported from BANK GRE Hellenic Posts (ΕΛΤΑ) 820 branches cooperation, as an alternative network which assists selling activities based on the well LEK POST POSTAL SAY product range of PSB.
- In April 2006 it acquired a full banking license and since then we have been operating under the supervision of the Bank of S BANK GF Greece. REEK POST
- In June 2006, the Postal Savings Bank became an ASE listed company through a public offer of 34,84% of the existing shares SAVINGS
- By the end of 2006 the alternative network of Hellenic Posts increased to 839 branches and the existing agreement sank © expanded to lending products. GREEK PO
- Greek Postal Savings Bank now supports a full range product mix such as mortgages, personal loans, credit cards, mutual POSTAL SI funds and almost all types of bank deposit / saving activities. The Banking corporation also includes treasury and asset SMINGS management activities in its portfolio.
- Greek Postal Savings Bank has initiated a new contemporary integrated banking system through which all daily operations are performed and controlled fully on line. At the same time, the Bank's number of ATMs is following an increasing trend, in an effort to facilitate daily transactions. By the September of 2007 the ATM's amounted 179 pieces, of witch 136 were placed at the PSB's network and the rest at the alternative network of Hellenic Post.
- On July 11, 2007, the "Hellenic Republic", PSB's major shareholder, proceeded in a successful sale of 28.173.354 common shares of "PSB S.A." (20% of PSB's outstanding share capital) via accelerated book building process to international and Greek qualified investors. The offering took place within the frameworks of State's gradual, privatization program.

Main Operations Drivers Update

Unique Synergy with the Hellenic Post

- Historical relationship with Hellenic Post, formalised through comprehensive exclusive agreement, entered into 2001
 - **Expires in 2011, subject to renewal**
 - Governs personnel issues, branches layout, commission fees and charges, exclusivity
- Historical focus on deposit acceptance through Hellenic Post's 839 branches and distributors as well
 - Cooperation extension envisaged to include PSB expanded product offering in lending activities. This present moment 160 branches provide loan services. However by the end of 2007 the target is to reach the number of 270 branches.
- Cooperation strengthened through cross-shareholding of 10% in each company effected in April 2006 (sale of existing shares by the Hellenic Republic)

Cross-shareholding establishment¹

- Nowadays 43 ATMs operate in different Hellenic Post branches
- The design of the interface between the IT of P.S.B. and H.P. has been completed and is currently in the implementation phase. The roll out of the first pilot branches started at the end of June 2007.

Main Operations Drivers Update

Headcount will be strengthened with hiring of significant new entry level personnel

- A first group of 132 new employees join the bank during December 2006 and January 2007.
- A second group of approximately 600 new employees is expected during 2007 and 2008.
- New hires (university graduates) to be allocated in certain support functions currently outsourced and man branch network.
- New hires to replace natural attrition of existing personnel that has staggered departures over the following years.
- 1.09% of company shares were allocated to Personnel (became shareholder) through a private placement with a 10% discount on the IPO price.
- Subtancial cost potential save, upon the new hires, calculated up to 8 m € on an annual base.

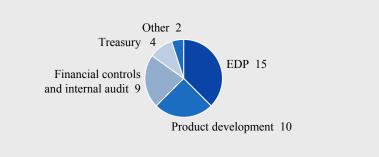

Facilitated by the hiring of seasoned retail banking executives

- Experienced executives have been hired within the restriction of previous operating framework to man critical business and support operations.
- Executives hired with extended banking sector experience or higher education.
